

# What we can do

There are several actions outlined in the full Place Plan which is available at [canadabay.nsw.gov.au](http://canadabay.nsw.gov.au).

Some of them are listed below and fall into one of the following themes:

1. Create an active and vibrant cultural centre
2. Improve transport accessibility
3. Enhance the visual appeal and amenity
4. Undertake activities to meet the needs and aspirations of residents, businesses and visitors.

Action	Task	Funding	Responsibility	Time frame
Create a program of events	Work with businesses, Chamber of Commerce and others to create a program of events and activations including some for young people.  Publicised to local area.	Council operating budget  Supportive businesses	Council lead  Working with local business  Chamber of Commerce  Cultural institutions	Short-term
Create a piazza	Create a strong focal point for people to gather, enjoy cultural activities and meet with others in the street.  Investigate closure of Jellicoe Street at Majors Bay Road including potential impacts such as traffic and parking.	Council capital program	Council lead	Short-medium term (dependent on outcome of investigations)
Address the concerns around parking	Undertake a parking study which would review current parking and investigate potential changes to parking management to assist in balancing current and future competing parking demands.	Operating budget	Council lead	Short to medium term
Promote businesses	Collaborate with the Chamber of Commerce and businesses to promote Majors Bay Road perhaps through a buy local campaign.	N/A	Chamber of Commerce  Business  Council Supporter	Short-term
