### Categories

Under section 610E of the Local Government Act 1993, Council may waive or reduce a fee in a particular case if Council is satisfied that the case falls within a category of hardship or any other category in respect of which Council has determined payment should be so waived or reduced. Council has established the categories below which may apply to any fees.

**Commercial:** where Council, or its contractor, operates a service and reduction of the fee is required to compete in the market.

**Community recognition and community fundraising:** excluding those fees or charges prescribed by legislation, fees or charges may be waived or reduced for initiatives that:

- Recognise and/or celebrate the achievements of an entity within the City of Canada Bay (for example, street banners).
- Support the activities of not-for-profit community organisations that provide identifiable social benefits that respond to community needs (e.g. venue hire).
- Generate donations on behalf of, and/or for provision to, charitable fundraising authority holders where it is demonstrated that all revenue exceeding costs of the specified activity is donated (for example, facility hire for disaster recovery events).

**Medical Waste** - where residents have increased waste due to medical reasons and have provided certification of the condition from a medical practitioner and demonstrated the resulting increase in household waste.

**Non-provision or disruption of a service** - Where a service is not provided, Council may, at its discretion, refund or credit the fee. Where a service is disrupted, Council may, at its direction, refund or credit the fee in full or in part.
